CONGRATULATIONS

I prostrate to H.H. Yangwo Wan Ko Yeshe Norbu!

I was fortunate to have respectfully read A Treasury of True Buddha-Dharma about the greatest leader of Buddhism, H.H. Yangwo Wan Ko Yeshe Norbu. The power of that book astonishes all Three Spheres. From the power of that book, we see that a true Buddha has again descended into this world! This is not a book. Rather, it is a crystallization of the power of omniscience. It will produce countless Buddhas and Bodhisattvas. As long as we learn and practice its contents, it will lead us onto the path to Buddhahood!

I respectfully wish that H.H. Dorje Chang Buddha III Wan Ko Yeshe Norbu, the greatest leader of Buddhism, live in the human realm forever and benefit all living beings in the dharmadhatu!
